

# Black Widow

Mötley Crüe

In her eyes you're the night's desire  
You're the one on her lips

She'll drink your love  
In the shadow of blood  
It's a deadly, deadly kiss

You're just a man  
All in her prey in the web of delight

All you can do is close your eyes  
Cause you've lost your life

In this theater of pain  
Love and hate's the same  
To the black widow  
To the black widow  
To the black widow

I need a love, I need a love  
I need another black widow  
I need a love, I need a love  
I need another black widow

Well among kings and queens  
Love and hate's the same  
In this theater of pain  
Love and hate's the same  
To the black widow
