Iron Man

NOFX

I am iron man!
Has he lost his mind?
Can he see or is he blind?
Can he walk at all
Or if he moves will he fall?
Is he alive or dead?
Has he thoughts within his head?
We'll just pass him there
Why should we even care?
He was turned to steel
In the great magnetic field
When he traveled time
For the future of mankind
Nobody wants him,
They just turn their heads
Nobody helps him
So he waits his revenge
Now the time is here
For iron man to spread
Fear vengeance from the grave
Kills the people he once saved
Nobody wants him
They just turn their heads
Nobody helps him
Now he has his revenge
