

# Hurt (AATCHB)

## Nine Inch Nails

I hurt myself today  
To see if I still feel  
I focus on the pain  
The only thing that's realThe needle tears a hole  
The old familiar sting  
Try to kill it all away  
But I remember everythingWhat have I become  
My sweetest friend  
Everyone I know  
Goes away in the endAnd you could have it all  
My empire of dirt  
I will let you down  
I will make you hurtI wear this crown of shit  
Upon my liars chair  
Full of broken thoughts  
I cannot repairBeneath the stains of time  
The feelings disappear  
You are someone else  
I am still right hereWhat have I become  
My sweetest friend  
Everyone I know  
Goes away in the endAnd you could have it all  
My empire of dirt  
I will let you down  
I will make you hurtIf I could start again  
A million miles away  
I will keep myself  
I would find a way
