Mountain Dew

The Dubliners

Where do you wanna go?
What do you wanna do?
What do you wanna drink? Mountain Dew, yeah!I think it's getting late
And I can't stand up straight
I'm so thirsty I could use a different taste tonightMountain Dew in my head and on my mind
Mountain Dew in my head and feeling fine
Mountain Dew in my head and on my mind
Mountain Dew in my head....Mountain Dew in my head and on my mind
Mountain Dew in my head and feeling fine
Mountain Dew in my head and on my mind
Mountain Dew in my head and feeling fine
