# One Of Those Nights

## Trace Adkins

Have you ever had one of those days
You wake up feeling good,
So good that you could take the whole world.
One of those day's when you just know
No matter what nothing in the world could go wrong.Well that's the way I feel this morning,
But baby I just gotta say
I always have one of those daysAfter one of those night's, Just like last night
Oh my what a beautiful thing, Just you and me
Those tangled sheet's were wrapped around us baby thanks to your love.
It was one of those night's that leads to one of those day's,
That leads right to one of those night's.Have you ever had one of those smiles you just can wipe away,
The anticipation's to strong.
On of those smile's you wear all day
'cause you can taste the kiss of passion waiting back home.
Well that's the one I'm wearing right now
But baby you always leave, one of those smile's on me..After one of those night's,
Just like last night
Oh my what a beautiful thing,
Just you and me
Those tangled sheet's were wrapped around us baby thanks to your love.
It was one of those night's that leads to one of those day's,
That leads right to one of those night's.When everything's perfect
(One of those night's)
When you want me, you touch me, you move meAfter one of those night's,
Just like last night
Oh my what a beautiful thing,
Just you and me
Those tangled sheet's were wrapped around us baby thanks to your love.
It was one of those night's that leads to one of those day's,
That leads right,
It was one of those night's that leads to one of those day's,
That leads right to one of those night's.
