

# Don't Wanna Get It Dirty

## 38 Special

She won't let me be  
I know her story  
Born with a silver spoon in her mouth  
The girl ain't used to doin' without oh no  
She never lets her hair down  
She's the sweetest thing to ever wear high heels  
And drives the finest set of wheels but she[Chorus]  
Don't want to get it dirty  
Won't take me for a ride  
Don't want to get it dirty  
Don't want to lose that shine  
She likes to drive real fastI like to make it last a long time  
Never seen a girl who could talk so much  
So educated but so outta touch oh yeah  
She never lets her top down  
She's the sweetest thing to ever wear high heels  
And drives the finest set of wheels but she[Chorus]Don't want to get dirty  
I'm out to change her mind  
Let me behind the wheel baby I can drive itJust watch  
Candy apple red so brand new  
Just want to see what it can really do  
She says don't want to don't want to[Chorus]Good girls are hard to find  
Don't want to get it dirty  
I'm out to change her mind listen to me baby  
Don't want to get it dirty  
Let's have some fun tonight  
Don't want to get it dirty  
Let me take you for a rideRah!  
Don't want to get it dirty  
Don't want to get it dirty  
Let me shine it up baby  
Make it look just a brand new  
Yea you know what I'm talkin' aboutDon't want to get it dirty  
Don't want to get it dirty  
Don't want to get it dirty
