

# I Find Your Love

**Beth Nielsen Chapman**

I'll catch your smile on someone's face  
Your whisper in the wind's embrace  
Through diamond stars and songs, and dreams  
I find your love in everythingThe sun, the sky, the rolling sea  
All conspire to comfort me  
From sorrow's edge life's beauty seems  
To find your love in everythingI've come to trust the hope it brings  
To find your love in everything  
Even as I fall apart  
Even through my shattered heartI'll catch your smile on someone's face  
Amazing grace
