

Everything

Michael Bublé ©

You're a falling star, you're the get away car
You're the line in the sand when I go too far
You're the swimming pool on an August day
And you're the perfect thing to say

And you play it coy, but it's kind cute
Ah, when you smile at me you know exactly what you do
Baby, don't pretend that you don't know it's true
Cause you can see it when I look at you

And in this crazy life, and through these crazy times
It's you, it's you, you make me sing
You're every line, you're every word, you're everything

You're a carousel, you're a wishing well
And you light me up, when you ring my bell
You're a mystery, you're from outerspace
You're every minute of my everyday

And I can't believe, uh that I'm your man
And I get to kiss you baby just because I can
Whatever comes our way, ah we'll see it through
And you know that's what our love can do

And in this crazy life, and through these crazy times
It's you, it's you, you make me sing
You're every line, you're every word, you're everything

So la la la la la la la
So la la la la la la la

And in this crazy life and through these crazy times
It's you, it's you, you make me sing
You're every line, you're every word, you're everything
You're every song, and I sing along
Cause you're my everything

Yeah, yeah

So la la la la la la la

So la la la la la la la la la la
