At Least We're Having Fun

Aber. INC

Is this all I've done
Is this all I've done
Is this all I've done
Is this all I've done

At least I'm having fun

I thought you were a nun
I thought you were a nun
I thought you were a nun
I thought you were a nun

At least you're having fun

Roaring exploring
Feasting feces
Boarding imploring
Forcing you and I

Is this all we've done?!
Is this all we've done?!
Is this all we've done?!
Is this all we have done?!

At least we're having fun!

At least we're having fun! x5
