

# At Least We're Having Fun

## Aber. INC

Is this all I've done  
Is this all I've done  
Is this all I've done  
Is this all I've done

At least I'm having fun

I thought you were a nun  
I thought you were a nun  
I thought you were a nun  
I thought you were a nun

At least you're having fun

Roaring exploring  
Feasting feces  
Boarding imploring  
Forcing you and I

Is this all we've done?!  
Is this all we've done?!  
Is this all we've done?!  
Is this all we have done?!

At least we're having fun!

At least we're having fun! x5
