

Teach Me Tonight

Wanda Jackson

Did you say (that) I've got a lot to learn,
Well don't think I'm trying not to learn
Since this is the perfect spot to learn,
Teach me tonight

Starting with the ABC of it,
Right down to the XYZ of it
Help me solve the mystery of it,
Teach me tonight

The sky's a blackboard high above you,
And if a shooting star goes by
I'll use that star to write "I love you",
A thousand times across the sky

One thing isn't very clear my love,
Should the teacher stand so near my love
Graduation's almost here my love,
Teach me tonight

Did you say I've got a lot to learn,
Well don't think I'm trying not to learn
Since this is the perfect spot to learn,
Teach me tonight

One thing isn't very clear my love,
Should the teacher stand so near my love
Graduation's almost here my love,
Come on, teach me, tonight
