Rock The People

Stryper

From the time I was a boy
I knew what I was born to do
Instead of playing with my toys
I'd play my songs, that's all I knewWith a guitar in my hands everyday
My heart and soul would always sayRock the people
Rock the peopleNow I've been around the world
I can't believe what I have seen
I've rocked with every guy and girl
Sometimes I think it's all a dreamWith a guitar in my hands everyday
My heart and soul would always sayRock the people
Rock the peopleWith a guitar in my hands everyday
My heart and soul would always sayRock the people
Rock the people
