## Empress Of

If I wasn't awake I'd be dreaming  
I took too many pills to be sleeping  
And the memory of you keeps on creeping  
Up my slippery spine all this evening  
Take my hand in your hand  
Like we're walking  
On the pebbly sand  
And we're talking  
Drive me up to the coast  
Lay my seabag  
But I'm just in a room with the lights on  
Every minute pisses like an hour  
When I'm just in a room  
With the lights on  
And there's no one who knows  
I'm their Icon  
All that keeps me awake  
Is the lights on  
And there's no one who knows  
I'm their Icon  
The first line of the night  
Cuts the deepest  
Then I'm struggling to  
Keep my secrets  
As we order a drink  
That's the cheapest  
If I lend you my kiss  
Please don't keep it  
Every minute pisses like an hour  
When I'm just in a room  
With the lights on  
And there's no one who knows  
I'm their icon  
All that keeps me awake  
Is the light time  
And there's no one who knows  
I'm their icon  
Keep the lights on for my sake!  
Keep the lights on for my sake!

Close my eyes I see your face  
Close my eyes I see your face  
I just keep myself awake  
I just keep myself awake  
I don't want to feel this way  
I don't want to feel this  
Just in a room with the lights on and there's  
No one who knows I'm their icon  
All that keeps me awake is their lights on  
And there's no one who knows  
I'm their icon!
