

# There Is Nothing Greater Than Grace

## Marshall Hall

Whattaya say to someone who feels like they lost it all;  
Over the edge with no one there to break the fall.  
And whattaya say to someone who feels so unloved,  
Giving themselves a way a little bit every day just to be good enough.  
Whattaya say to a hopeless soul who can't remember their way home.  
Everything is out of their control.

Chorus:

There is no valley, there is no darkness,  
There is no sorrow greater than the grace of Jesus.  
There is no moment, there is no distance,  
There is no heartbreak he can't take you through.  
So before you think that you're too lost to save,  
Remember there is nothing greater than grace.

Whattaya say to someone whose life is on the line;  
And they're unsure what happens after their last breath.  
And whattaya say to someone whose only known abuse,  
When the walls they've built to save themselves, makes it hard to hear the truth.  
Whattaya say to a life of regret that is trying so hard to forget.  
Whattaya say to dreams unmet.

Chorus:

There is no valley, there is no darkness,  
There is no sorrow greater than the grace of Jesus.  
There is no moment, there is no distance,  
There is no heartbreak he can't take you through.  
So before you think that you're too lost to save,  
Remember there is nothing greater than grace.

So don't lose hope, don't let go. Don't give up, you are not alone.

There is no valley, there is no darkness,  
There is no sorrow greater than the grace of Jesus.  
Oh, there is no moment, there is no distance,  
There is no heartbreak he can't take you through.  
So before you think that you're too lost to save,  
Yeh, before you think that you're too lost to save,  
So before you think that you're too lost to save,

Remember there is nothing greater than grace.
