# Fire Flies

## Gorillaz

[Verse 1]
If you see me floating too many times
My face will be painted in these white brick lines
'Cos all my fears invaded
All the crazies put on buses and sent up here to find you
Living on the limits
And if you say goodbye too many times
The center nose will find me and switch me off this time
Cos all my fears invaded
All the crazies put on buses and sent up here to find you
Living on the limits
[Chorus]
If all you ever get from the summit is the count of the fall of man
Every calling cost makes you your heart
You were in the kind of game that put the force in me
I was ever chasing fire flies[Verse 2]
Sometimes I follow the fire fly he takes me into the night
Baby I just survive, I'm lovedrunk, I'm sorry, am I losing you?
Sometimes I follow the fire fly he takes me into the night
Baby I just survived, I'm lovedrunk, I'm sorry, am I losing you?
[Chorus]
If all you ever get from the summit is the count of the fall of man
Every calling cost makes you your heart
You were in the kind of game that put the force in me
I was ever chasing fire flies
