# Keep Me In Mind

## Loggins & Messina

If ever you're feelin' lonely
I know that I am not the only one
That you can call
But keep me in mindThis feeling of lust is haunting
Following me and wanting you
To think of a time
And keep me in mindI know you've had many
And I haven't any to show
But what I can't give you
I'll equal with loveWhen darkness resolves to slumber
Remember that I'm your number one
That you can call
So keep me in mindI know that while needing someone
Is only a thought that comes from me
Hoping that you
Will keep me in mindI know you've had many
And I haven't any to show
But what I can't give you
I'll equal with love
