Goodnight, California

Kathleen Edwards

You know what I wish?
It was just you and me
Sitting in this corner bar
You could tell me how your are
But I'm not gonna lie or anything
You don't even have to speak
If you keep looking at me
And I could go all night

But they're turning up the lights
It would be so easy
Do or say anything
And I'm not gonna lie
I'm not looking for love
I won't let you in my heart
But you were always on my mind
