Sinner Saved by Grace

The Cathedrals

If you could see what I once was, if you could go with me
Back to where I started from then I know you would see
A miracle of love that took me in its sweet embrace
And made me what I am today just an old sinner saved by grace

I'm just a sinner saved by grace
When I stood condemned to death He took my place
Now I live and breathe in freedom with each breath of life I take
I'm loved and forgiven, back with the living
I'm just a sinner saved by grace

How could I boast of anything that I've ever seen or done
How could I bear to claim as mine the victory's God has won
Where would I be had God not brought me gently to this place
I'm hear to say I'm nothing but an old sinner saved by grace
