Shattered

The Haunted

Stare at my reflection,
a face to me shown unknown.
Cleanse with perfection,
no man shall stop the seeds I've sown.You see me crawl, but that's not true.
I'm just a step away from you.I feel my energy rising.
Shatter me who shatter dares...Don't trust your eyesight,
it will deceive your every glance at me.
I feel no sorrow,
Kill!
Like there's no tomorrow.You see me crawl, but that's not true.
I'm just a step away from you.I feel my energy rising.
No way to keep this fury controlled.My hand shakes with anger.
Stare unto me as I shatter your soul..Shattered...Goats head,
Dead eyes.
No reconcile.Submit
to none.
I am divine.Shattered...
Shattered!You call me evil.
I'm but the instrument of the Lord.
You call it senseless,
I see a need to cleanse this putrid world.You see me crawl, but that's not true.
I'm just a step away from you.I feel my energy rising.
No way to keep this fury controlled.My hand shakes with anger,
Your life...
Shattered!
