Crazy Love

Brooke Hogan

You're gonna miss that crazy love (you're gonna miss that)
You're gonna miss my sexy body (crazy lovin baby)I tried to love you
I backed up off you
Didn't crowd your space
I should have known better
For you I do whatever it takes
But you had to get greedy
And you made it look easy
Lie to my face
Lately its been a lie
A helpless caseOne of these mornings
You're gonna wake up to an empty bed
You can say what you want but you know
You'll never get me outta your headYou're gonna miss that crazy lovin, baby
Right after we fight
You're gonna miss my sexy body
Underneath the covers at night
You're gonna miss me coming out my clothes
The way I used to take it slow
And make you go, oh
You're gonna miss my loveLeft me a message, I really messed up
Baby pick up
Can't live without you
All of a sudden you claim your ready for love
Am I supposed to believe you
Never want to believe, you'll say anything
Truth is that you're incapable of changeOne of these mornings
You're gonna wake up to an empty bed
You can say what you want
But you know you'll never get (my love) out of your head, yeahYou're gonna miss that crazy lovin, baby
Right after we fight
You're gonna miss my sexy body
Underneath the covers at night
You're gonna miss me coming out my clothes
The way I used to take it slow
And make you go, oh
You're gonna miss my loveWho's gonna give you all the crazy lovin that I gave you
Shook you, know can curl your toes
Waking up the neighbors (like me)

Can't nobody do it, baby
Who you think you're foolin, baby
What were you thinking of
You're gonna miss my love, yeah yeahYou're gonna miss that crazy lovin, baby
Right after we fight
You're gonna miss my sexy body
Underneath the covers at night
You're gonna miss me coming out my clothes
The way I used to take it slow
And make you go, oh
You're gonna miss my loveYou're gonna miss that crazy lovin, baby
Right after we fight
You're gonna miss my sexy body
Underneath the covers at night
You're gonna miss me coming out my clothes
The way I used to take it slow
And make you go, oh
You're gonna miss my loveYou're gonna miss that crazy love
You're gonna miss my sexy bodyYou're gonna miss that crazy love
You're gonna miss my sexy body
Underneath the covers at night
You're gonna miss it
