

Little Black Egg

Pagans

I don't care what they say,
I'm gonna keep it anyway.
I won't let them stretch their necks,
To see my little black egg with the little white specks.
I found it in a tree just the other day,
Now it's mine all mine, they can't take it away.
There comes mary, there comes lee :
I'll bet what they want to see.
I won't let them stretch their necks
To see my little black egg with the little white specks.
I found it in a tree just the other day,
Now it's mine all mine, they can't take it away.
Oh my, what can I do ? little black egg's gonna tell on you.
I won't let them stretch their necks
To see my little black egg with the little white specks
