

Shine On You

The Duke & The King

Build your life on a dream
Build your own machine
Turn the night into day
You have no need to turn away Shine on you
Shine on you
Shine on you
Oh let it shine
Shine on you You've down for a while
I love to see you smile
You know what I mean
Please build your own
Build your own machine Don't you worry about nothing
Just shine Shine on you
Shine on you
Shine on you
Oh let it shine
Shine on you Oh won't you let it shine
Shine on you
Oh won't you let it shine
Shine on you
Oh won't you let it shine
Shine on you
Oh won't you let it shine Build your life on a dream
