Deep In the Night

Abigail Washburn

Deep in the night
I hear the darkness
Bones tell the body
Rest in its armsI hear the calling
Of life's sweet embrace
Resting too soonDeep in the night
I feel the stardust
Blue tells the heavens
Fall from the skyI feel the shadows
Of time's own longing
Falling awayDeep in the night
I pray a candle
To tell the snowfall
Wait for sunriseI pray a halo
Of man's cold morning
Holds to the lightI pray a halo
Of man's cold morning
Holds through the night
