

# Deep In the Night

[Abigail Washburn](#)

Deep in the night  
I hear the darkness  
Bones tell the body  
Rest in its arms I hear the calling  
Of life's sweet embrace  
Resting too soon Deep in the night  
I feel the stardust  
Blue tells the heavens  
Fall from the sky I feel the shadows  
Of time's own longing  
Falling away Deep in the night  
I pray a candle  
To tell the snowfall  
Wait for sunrise I pray a halo  
Of man's cold morning  
Holds to the light I pray a halo  
Of man's cold morning  
Holds through the night
