

# Gotta Have You

Jonathan McReynolds

I gotta have You  
I gotta have You  
I gotta have You  
I gotta have You  
Oh Lord, I gotta have You

I gotta have You  
I gotta have You  
I gotta have You  
I gotta have You  
Oh Lord, I gotta have You

See you make me as happy as I can be  
Your love is a guarantee in a world of changes  
You and I together stay on my mind  
You are the truth and the lie  
There's no other way

I gotta have You  
I gotta have You  
I gotta have You  
I gotta have You  
Oh Lord, I gotta have You

Look at how You turned my world inside out  
I'm lovin' what You're about You won my faith cause  
Also when You picked my life up again and still became my best friend  
Now everyday.

I gotta have You  
I gotta have You  
I gotta have You  
I gotta have You  
Oh Lord, I gotta have You

If You take Your love away from me  
I don't know what I would do  
Oh no no, no  
See there's a giant whole in my heart that can only be filled by You

Only You

I gotta have You

I gotta have You

I gotta have You

I gotta have You

Oh Lord, I gotta have You
