Bury My Guns

Hey
This conversation's over. It makes no sense to me.
You could've stopped the suffering.
You could've stopped the screams.
But now your reign is over, and it's all up to me.
I'm gonna show you what I mean.
Bury me with my guns on, so when I reach the other side, I can show him
What it feels like to die.
Bury me with my guns on, so when I'm cast out of the sky, I can shoot the
Devil right between the eyes.
Hey

Hey

Hey
The pearly gates are broken
And it's the strangest thing.
The angels could've warned,
But no one said a thing.
The shot was quick and painless,
But it changed everything.
It's time to choose a better king.
Bury me with my guns on, so when I reach the other side
I can show him what it feels like to die.
Bury me with my guns on, so when I'm cast out of the sky
I can shoot the devil right between the eyes.
The castle's falling down, beneath the deep blue sea.
They've seen my face before will
They remember me.
I scream the words out loud
Our souls are finally free.
It's time to open our eyes.
