

Coming Your Way

Fleetwood Mac

Written by Danny Kirwan.

I've got things to do
I move everyday
I hope you don't mind
'Cause I'm goin' your way You've got things to do
You move everyday
I hope you don't mind
'Cause I'm coming your way You've got things to do
You move everyday
I hope you don't mind
'Cause I'm coming your way
I've got things to do
I move everyday
I hope you don't mind
'Cause I'm coming your way
