## **Salted Wound**

## Sia

Lonely float got in the way You are the feel, and knew it anyway Take a chance, it wasn't what you know Take my hand, and don't let goOh, ooh ooh And you can do it, Don't break Yeah, you'll pull through it, You're safe Yes, you can do it Don't break Yeah, you'll pull through it, You're safeTell her on how you feel, Give her every say she needs to hear Give your heart, and say come take it And she will see you're a good manOh, ooh ooh And you can do it, Don't break Yeah, you'll pull through it, You're safe Yes, you can do it Don't break Yeah, you'll pull through it, You're safe Yes, you can do it, Don't break Yeah, you'll pull through it, You're safe
