

# Lovesick (Underdog Instrumental)

## Lisa Germano

You're not my Yoko Ono  
You said those words to me  
You say some hurtful things now  
None cut so deeplyThose visions of beauty  
Those visions haunt me  
Illusions of hope  
And they drive me crazyYou're not my Yoko Ono  
You said those words to me  
You have too many problems  
Always in therapyLovesickYou are a constant patient  
You stop me being mean  
Give me some inspiration  
Is that why you hit meLovesick  
LovesickThose visions of beauty  
Those visions haunt me  
But I like them  
I'll keep them  
I'll just go crazyYou're not my Yoko Ono  
You said those words to me  
You say some hurtful things now  
None cut so deeplyLovesick  
Lovesick  
Lovesick
