

Hopscotch

CocoRosie

I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop! If the sun decides to rise,
without it's colors in your eyes,
it matters not.
A heart of mine,
prefers the darkness. A Hopscotch, teardrop, ready to drop.
A Hopscotch, teardrop, ready to drop. I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
