Supersensual

Natalie Bassingthwaighte

Feeling like I've come undone, hotter than a summer sun
Baby I can barely speak, this is what you do to me
Shivers send me wild, dancing down my spine, every part of me is sensitized
I've been here before, knew there could be more, baby you are what I've waited for

Tonight, we are incredible, natural
How did I get so incurable, breakable, weak inside
You make me feel supersensual

Oo oo oo oah, oo oo oo oah

Senses working overtime, your love is such a crazy ride
I feel the rush in every drop, sweeter than a cherry pop
Baby can't you tell, you've got me overwhelmed, and I don't even recognize myself
I opened my eyes to a world I never knew and I know I found it all with you

Tonight, we are incredible, natural
How did I get so incurable, breakable, weak inside
You make me feel supersensual

Oo oo oo oah, oo oo oo oah

Senses working overtime, your love is such a crazy ride
I feel the rush in every drop, sweeter than a cherry pop

Tonight, we are incredible, natural
How did I get so incurable, breakable, weak inside
You make me feel supersensual

Oo oo oo oah, oo oo oo oah
Nah nah nah nah nah

Supersensual
