

# You Done Me Wrong

Willie Nelson

Well, you tell me that you care  
And now you're gone you got me cryin'  
No use denyin', you done me wrong  
If I could look inside your heart  
Then maybe I would know the reason  
Why you are leavin' me all alone. Well, you know it's not so when you say  
Well you say you tried, well you know you lie  
I didn't do one wrong thing to you  
Won't you tell me baby  
Why you went and left me here so lonely  
I miss only, for I love you. Did I ever make you sad  
So you'd be mad enough to hurt me  
And desert me for so long  
Well, you're telling everyone what you done  
You think it's funny  
Well, listen honey, you done me wrong. Well, you know it's not so when you say  
Well you say you tried, well you know you lie  
I didn't do one wrong thing to you  
Won't you tell me baby  
Why you went and left me here so lonely  
I miss only, for I love you.
