Over The Moon

Troop

[Verse 1]
I never had a love that made me feel this way
And I pray your love will never go away (ya, ya)
You bring a joy to life that I have never known (um hmm)
And I want you to know that you're the only one, the only one that I adore
[Chorus]
And if I could give you the world you know I would give it to you
Cause you make me feel like I can fly over the moon
And I would lay down my life for you if you wanted me to (if you wanted me to)
Cause you make me feel like I can do anything, even fly over the moon
[Verse 2]
I wish I had the words to express just what I feel
Cause if I did I tell you something special to you, my dear
I'd walk a thousand miles or more to be where ever you are (where ever you are)
Cause without you in my life, I don't think that I can survive, no baby
[Chorus]
[Hook]
Baby, yea
When you smile I see the sun shining (sun shining)
Make the stars come out in my life again (in my life again)
I feel so good, girl I wanna cry
I'm so glad you're in life baby (in my life baby)
And every time I look into your eyes
It's like a dream to have you here by my side
You pick me up girl, you make me anew
I couldn't live my life without you
[Chorus]
