

# Lies

## En Vogue

Lies, lies  
Using lies as alibis  
Lies, lies  
Just a devil in disguise It's the same game played in many ways  
Everyone is the victim too  
It's just a waste of time, made for simple minds  
So why do people insist on lies? I'll live my life a different way  
Refuse to let myself become a victim  
Getting caught up in a vicious web of Lies, they can hurt you and destroy you  
Using lies as alibis, watch out for lies  
Lies, lies  
Just a devil in disguise The nation's leaders as well as teachers  
Practice lies as a way of lie, yes they do  
So think before you speak 'cause what you sow you reap  
The truth will always be brought to light Will we ever learn one day  
That telling lies always lead to madness  
Misery and sometimes pain? Lies, lies  
Using lies as alibis  
Lies, lies  
Just a devil in disguise Lies, lies  
Using lies as alibis  
Lies, lies  
Just a devil in disguise Lies and deceit, Yes it's running real rampant  
Communities suffering, yo I can't stand it  
When we think of lies we tend to think of politicians  
But what about the husband who's on a mission  
Lying to his wife so he can get it on and get some  
Coming back home with a dumb expression  
Written on a face that he's guilty as a criminal  
It's time to change your attitude, people do you hear me? Don't listen to a funky rhyme that's kickin' knowledge  
that we need  
We lie about our hair and we know we got a weave  
Politicians lie about the things they're gonna do  
And everybody's tale affects me and you  
A smoker lies about the money that he stole  
And a dope dealer never tells you how he got his gold  
I guess what Debbie T is really trying to say is  
When you break it all down, we're really all the same I'll live my life a different way  
Refuse to let myself become a victim
