Pretty People

Blues Saraceno

We are the pretty people
We are the pretty people
I cannot help it that I'm so good looking
I cannot help it that I have the perfect body
Yes everywhere I go I get all the attention
I get my looks by divine intervention
We are the pretty people, you wanna look like us
We are the pretty people, give it up, give it up, give it up
We are the pretty people, the best of humankind
We are the pretty people, flawless by design
Yeah, yeah
I look so good when I'm driving in my car
I'm in the fast lane and I'm gonna be a star
Green light, green light, please don't turn yellow
'Cause if you do you know I'll step down on that pedal
You know I never have to pay for my dinner
Aw yeah, you know I'm always the winner
You want me but you cannot have it
I'll slap your hand if you try to grab it
We are the pretty people, you wanna look like us
We are the pretty people, give it up, give it up, give it up
We are the pretty people, the best of humankind
We are the pretty people, flawless by design
Well if you make a pass, a little razzmatazz
A wink of the eye as I walk on by
Well if you make a pass, a little pinch on the ass
Yeah a little razzmatazz but no kiss goodnight
We are the pretty people
You wanna look like us
We are the pretty people
You wanna look like us, yeah
We are the pretty people, you wanna look like us
We are the pretty people, give it up, give it up, give it up
We are the pretty people, the best of humankind
We are the pretty people, flawless by design
We are the pretty people
We are the pretty people
We are the pretty people
We are the pretty people

Flawless by design
Yeah
Yeah
Yeah
