

Waves

Camille

Pour Hector et Pascale, Amber, Tamise, Fanette et sa famille

Finistre rv le matin l'est

le de R 4 6

Pique-nique souriant ouest

Vent sud est revenant ouest sur ses fesses midi prs du cap

Pour Fanette ce lundi vent d'ouest rcr 3 5

Puis fraises et champs 5 6

Mre joyeuse en fin d'aprs midi

Pour Amber et Tamise

Odeur forte

Des pleurs des cris 4 6 le soir puis virant nord ouest

Mre calme devenant agite 6 8

Dborde par ses enfants

Des averses des rafales sur lit superposs

Monte cromatique sur Ouessan

Pre l'ouest malgr lui

Venant lui prter main forte

Molissant 3 5 7 nuit sur 7

Revenant sud le matin Show me the waves

Slaves of the sea

Is there a swirl

an oyster pearl

inside of me ?

Show me the waves

Y and X ray

Right through my bones

Is there a home

Where you can stay ?

Show me the waves

Waves all around

Ovens and cells

Wi-fi's and wells

Wires unbound

Love is a wave

Swimming are we ?

Is there a swirl

an oyster pearl

inside of me ?

See all these waves

No one can see

Life is a circle

Shell of a turtle

Now set it free

Wave !

Wave !

Love is a wave

Swimming are we ?

Is there a swirl

an oyster pearl

inside of me ?

See all these waves

No one can see

Life is a circle

Shell of a turtle

Now set it free

Wave !

Wave !

Love is a wave

Swimming are we ?

Is there a swirl

an oyster pearl

inside of me ?

See all these waves

No one can see

Life is a circle

Shell of a turtle

Now set it free

Wave !

Wave !

Wave it goodbye!
