

If You're Ready

Prozzak

If you're ready, I'm ready for you, baby
I'll be hanging on
If you're ready, I'm ready for you, baby
I'll be hanging on If you're ready, I'm ready for you, baby
I'll be hanging on
If you're ready, I'm ready for you, baby
I'll be hanging on I've been walking the streets
I've been trying to get along
And I've got to let you know I've been chemical free
Must be you that I'm tripping on
And I've got to let it show If you're ready, I'm ready for you, baby
I'll be hanging on
If you're ready, I'm ready for you, baby
I'll be hanging on If you're ready, I'm ready for you, baby
I'll be hanging on
If you're ready, I'm ready for you, baby
I'll be hanging on I've been walking the streets
I've been trying to get along
And I've got to let you know I've been chemical free
Must be you that I'm tripping on
And I want to let it show If you're ready, I'm ready for you, baby
I'll be hanging on
If you're ready, I'm ready for you, baby
I'll be hanging on If you're ready, I'm ready for you, baby
I'll be hanging on
If you're ready, I'm ready for you, baby
I'll be hanging on And I've got to let you know
And I've got to let you know If you're ready, I'm ready for you, baby
I'll be hanging on and I've got to let you know
If you're ready, I'm ready for you, baby
I'll be hanging on and I've got to let you know If you're ready, I'm ready for you, baby
I'll be hanging on and I've got to let you know
If you're ready, I'm ready for you, baby
I'll be hanging on and I've got to let you know
