

# Kimi no Uta

## Touken Danshi team Sanjou with Kashuu Kiyomitsu

oshiete hoshii  
hitori miageru sora ga nijinda wake wo

I want you to tell me  
Why did the sky that I was looking at become blurred?

-----

deawanakereba  
konna kimochi wakaranakatta no ni

If I had not met you  
I would not have known such a feeling as this

-----

itsumo isshoni ita hazu datta  
ano nukumori ga wasurerarenai

We were supposed to be by each other's side always  
I cannot forget that one and true simple warmth

-----

kimi ni aitakute  
demo aenakute  
hashiridasu tasogare  
sakura mau

Wanting to see you  
But not being able to  
The fast fading twilight  
and falling cherry blossoms

-----

donna ni kimi wo oikaketemo  
doko made mo toozakaru kage

No matter how much I chase after you  
You're a shadow that just keeps moving far away

-----

oshiete hoshi  
kimi no hitomi no oku ga urunda wake wo

I want you to tell me  
Why did your beautiful eyes fill with such tears?

-----

deawanakereba  
konna itami wakaranakatta no ni

If I had not met you  
I would not have known a pain like this

-----

kimi no yokogao yuuhi ga someru  
sono kagayaki ni  
towa no imi shiru

Looking at you underneath the evening sun  
In that radiance  
I found the meaning of life

-----

kimi ni aitakute  
demo aenakute  
sakende mo todokanu kono omoi  
donna ni kimi wo oikaketemo  
doko made mo toozakaru kage

Wanting to see you  
But not being able to  
These feelings that will not reach you even if I scream  
No matter how much I chase after you  
You're a shadow that just keeps moving away

-----

kimi ni aitakute  
demo aenakute

Wanting to see you  
But not being able to

-----

kore ijou kizutsuketaku nakute  
donna ni kimi wotoozaketemo  
doko made mo tsuitekuru kage

I don't want to hurt you like this anymore  
No matter how far away from you I go  
You're a shadow that follows me everywhere

-----

kimi ni aitakute  
demo aenakute  
hashiridasu tasogare  
sakura mau

Wanting to see you

But not being able to  
The fast fading twilight  
and falling cherry blossoms

-- -- -- -- --

donna ni kimi wo oikaketemo  
doko made mo toozakaruru kage  
itsumo kimi wo sagashiteru yo

No matter how much I chase after you  
You're a shadow that just keeps moving far away  
\*Repeat\*

I am always on a search for you
