What Is Love (feat. Tiffany Dunn)

MC MAGIC

Advisory - the following lyrics contain explicit language:

What is love, is it the feelin that i get when your lips touch mine..... (You know love is whatever you make it girl) (come on) Is it the way i cant control myself, when we're in the middle of those passionate nights.... Babe!(is like everytime im with you baby)Magic: I think love is when i look into your eyes the way it seems like your body was meant to be every minute right here next to mine my super sexy valentineTiffany: But you must of known..... that all the little things you do and say to me you know i love them, but they got me wondering...Tiffany: what is love, is it the feelin that i get when your lips touch mine..... Is it the way i cant control myself when we're in those passionate nights.... babe!Magic: nobody ever gonna love your momma like i will turn off the lights and bring your body closer this night was made for you and I slowly momma take my timeTiffany: Baby boy... can you show me the meaning of love... cause i got to know...what is love is it the feeling that i get when your lips touch mine... is it the way i cant control myself when we're in the middle of those passionate nights.... babe!what is love is it the feelin that i get when your lips touch mine..... is it the way i get when we're in the middle of those passionate nights... babe!
