

Decision (feat. Tyler Carter)

ONE OK ROCK

Another day
Another life
I wanna live it to the fullest
A little work
A lotta play
AlrightAshiato tadori yuki zuku basho
nazoru dake ga boku no jinsei janai
We'll never be as young as we are nowYou say it's all right
You say it's OK
It's up to you? Is that the truth? Tell me
I'm feeling used, will no one save me?
You say it's all right
Does that make it OK?
What's best for you is less for me
It's my decisionKieru mae hikaru mae kawaranai
Wakaranai mama ja zettai owarenai
We'll never be as young as we are nowYou say it's all right
You say it's OK
It's up to you? Is that the truth? Tell me
I'm feeling used, will no one save me?
you say it's all righth
Does that make it OK?
What's best for you is less for me
It's my decisionNever Never Never Never Again
It's my life my life my life my life to liveYou say it's all right
You say it's OK
It's up to you? Is that the truth? Tell me
I'm feeling used, will no one save me?
They say it's all right
Does that make it OK?
What's best for them
Not listening
It's my decision
