

# Walking On Air

Lance Bass and Anise K feat. Bella Blue and Snoop

There's a little creepy house  
In a little creepy place  
Little creepy town  
In a little creepy world  
Little creepy girl  
With her little creepy face  
Saying funny things  
That you have never heard  
Do you know what it's all about?  
Are you brave enough to figure out?  
Know that you could set your world on fire  
If you are strong enough to leave your doubts  
Feel it and breathe it, believe it  
And you'll be walking on air  
Go try, go fly so high  
And you'll be walking on air  
You feel this, unless you kill this  
Go on and you're forgiven  
I knew that, I could feel that  
I feel like I am walking on air  
She has a little creepy cat  
And a little creepy bat  
Little rocking chair  
And an old blue hat  
That little creepy girl  
Oh, she loves to sing  
She has a little gift  
An amazing thing  
With her little funny eyes of hazel  
With her little funny old blue hat  
She will go and set the world on fire  
No one ever thought she could do that  
Feel it and breathe it, believe it  
And you'll be walking on air  
Go try, go fly so high  
And you'll be walking on air  
You feel this, unless you kill this  
Go on and you're forgiven  
I knew that, I could feel that

I feel like I am walking on air  
Flitter up and hover down  
Be all around, be all around  
You know that I love you, go on  
Feel it and breathe it, believe it  
And you'll be walking on air  
Go try, go fly so high  
And you'll be walking on air  
You feel this, unless you kill this  
Go on and you're forgiven  
I knew that, I could feel that  
I feel like I am walking on air  
I am walking on air  
I am walking on air  
I am walking on air
