Let It Flow

En Vogue

Another wave has arrived
Being funk is so surprise
After the world of ecstasy
When the funk takes over me
No need to try to run away
The funk will find you without no delay
It's best if you relax your soul
Grab someone, take the floor, let it go
Let it flow, let it flow, let it flow, what'd you say?
Let it flow, let it flow, let it flow, in your heart and in your vein
Let it flow, let it flow, let it flow, free your mind
Let it flow, let it flow, don't you ever make it stop
Feel them groovin' hard within
Body's shakin' and head's in sea
Why would anyone dare to deny it
Funk is fine, don't try to fight it
The beat will set you free
The funk is the epitome
Let it flow, let it flow, let it flow, what'd you say?

Let it flow, let it flow, let it flow, in your heart and in your vein
Let it flow, let it flow, let it flow, free your mind
Let it flow, let it flow, let it flow, one more time
Let it flow, let it flow, let it flow, what'd you say?
Let it flow, let it flow, let it flow, in your heart and in your vein
Let it flow, let it flow, let it flow, free your mind
Let it flow, let it flow, don't you ever make it stop
Don't you part with it, I devoured it
You can work with it, you can part with it
Satisfaction guaranteed, give 'em folks what they need
What you need is indeed a little funk from EV, now hit me
Sounds so funky, you agree
Funky divas in 3 D
Let it flow, let it flow, let it flow
Let it flow, let it flow, let it flow
Let it flow, let it flow, let it flow
Let it flow, let it flow, don't you ever make it stop
[Incomprehensible]
