Shots Fired

Slash

If i caught us some day
I will turn the .. better die
I watch out I am not ? time to .. will never die
shot firing out of rage
They wanna see me I am not so great
But still I am here to die another day
I can?t feel .. presence I love I am not ?
Although I give them my all impossible to satisfy
I am hearing shot firing out of rage
They wanna see me I am not so great

But still I am here to die another day
shot firing out of rage
They wanna see me I am not so great
But still I am here to die another day
Another day I thought I have heard ?
Shots firing out of rage
They wanna see me I am not so great
But still I am here to die another day
shots firing out of rage
They wanna see me I am not so great
But still I am here to die another day
