Two Thirty

STAMPEAD

Itâ€™s 2:30 in the morning and Iâ€™m falling asleep
I â€™m drowning in your waters, Iâ€™m in too deep
In the middle of the ocean thereâ€™s a chill in my spine
I feel like a sucker fish who just bit your line
youâ€™re reeling me in killing me and smiling

Itâ€™s 6 in the morning and Iâ€™m wide awake
the suns rising over this great blue lake
little by little it tiptoes in
rising higher as the tides changing
and when you open your eyes and see my face
Iâ€™ll be smiling at you and your tired ways
