

I Got The News

Steely Dan

You
In your Lark
You're a mark
You're a screamer
You know
How to hustle
Daddy
Is a rare
Millionaire
I don't care
Yeah you
Got the muscle
I got the news Yes dear
How did you know
Can't you see our love will grow Take it
In your hand
All the sirens
And the band
Get to bendin' my ear
How
Was I to know
About the warm
Soulful secret
You been keepin' for years
I got the news Slow down I'll tell you when
I may never walk again Broadway Duchess
Darling if you only knew
Half as much as
Everybody thinks you do
What I hear
May be true
I would still be proud
To know you Spanish kissin'
See it glisten
You came ragin'
Love rampagin'
I got the news Yes dear
How did you know
Can't you see our love will grow
