

Mistake No. 3

Culture Club

You can't by stand all the people
Stand them on their own
They will fall to pieces
So we watch them grow
Into strange and pretty faces
I don't know
Clutching to my lipstick traces
Watch them go

Make mistake number three [Repeat: x3]

It's strange how much it changes
How they want to know
How cynical are people
That's where children go

Dragged into a conversation
They can't hold
It's so bad
But it prepares them for the mold

Make mistake number three
(repeat three times)

Why is my love like an ocean run dry?
Why is my love
Such a struggle with life?

You can't by stand all the people
Stand them on their own
They will fall to pieces
So we watch them grow

Make mistake number three [Repeat: x3]

Make mistake number three
