Good Friday

The Black Crowes

We've been avoiding this for so long
Luxury is temporary than it's gone
I thought that we would happen
I guess I'm wrong
We'll move along
I know this will be awkward
But not for long
Cause soon you'll have a new boy
To sing you songs

I will not forgive you
Nor will I accept the blame
I will see you on Good Friday
On Good Friday

I'm sorry I couldn't do this yesterday
And tomorrow I am busy and what
It is I can't say
And Saturday's no good
I got a show
So it's got to be Good Friday
Then it's so long

You, You come and go when you please
I know unfulfilled heads
I know you do too
But I, you know I never see
Things through,
Never paid attention to you
But honey I tried.
