Starchild

Freedom Call

Once you came, along, down to earth
To let your wisdom shine
A flame, a light for all the world
Your mission was divine, so divineNow you should come and try again
We're running out of time
A world, a land of misery
Where blind men lead the blindStarchild, starbright
You give us a reason, to help us believe
Starchild, starbright
You are the reason, the reason to liveStarchild, Starchild, enlighten the darkness
Starchild, Starchild, sent down from heaven
Starchild, Starchild, it seems that the world never learned
