

# Breakfast At Tiffany's

James Galway, Henry Mancini & National Philharmoni

You say that we've got nothing in common  
No common ground to start from and we're falling apart  
You'll say the world has come between us  
Our lives have come between us still I know you just don't care  
And I said, ?What about breakfast at Tiffany's??  
She said, "I think I remember the film?  
And as I recall, I think, we both kinda liked it  
And I said, "Well, that's the one thing we've got"  
I see you, the only one who knew me  
And now your eyes see through me I guess I was wrong  
So what now it's plain to see we're over  
And I hate when things are over when so much is left undone  
And I said, ?What about breakfast at Tiffany's?  
She said, "I think I remember the film?  
And as I recall, I think, we both kinda liked it  
And I said, "Well, that's the one thing we've got"  
You say that we've got nothing in common  
No common ground to start from and we're falling apart  
You'll say the world has come between us  
Our lives have come between us still I know you just don't care  
And I said, ?What about breakfast at Tiffany's?  
She said, "I think I remember the film?  
And as I recall, I think, we both kinda liked it  
And I said, "Well, that's the one thing we've got"  
And I said, ?What about breakfast at Tiffany's?  
She said, "I think I remember the film?  
And as I recall, I think, we both kinda liked it  
And I said, "Well, that's the one thing we've got"  
And I said, ?What about breakfast at Tiffany's?  
She said, "I think I remember the film?  
And as I recall, I think, we both kinda liked it  
And I said, "Well, that's the one thing we've got"
