

Night Nurse (Radio Mix)

Simply Red

Tell her try her best just to make it quick
Woman tend to the sick
Because there must be something she can do
This heart is broken in two
Tell her it's a case of emergency
There's a patient by the name of MickeyNight nurse
Only you alone can quench this here thirst
My night nurse, Oh God
Oh the pain is getting worseI don't want to see no Doc
I need attendance from my nurse around the clock
Because there's no prescription for me
She's the one, the only remedyMy night nurse
Only you alone can quench this here thirstMy night nurse
Oh the pain is getting worse
I'm hurt my loveI don't want to see no Doc
I need attendance from my nurse around the clock
Because there's no prescription for me
She's the one, the only remedyNight nurse
Only you alone can quench this here thirstMy night nurse
Oh the pain is getting worse
I'm hurt my love
And I'm sure, no, no doctor got a cureMy night nurse
My night nurse
My night nurse
